THANK YOU

Thank you for taking your valuable time to review our design and construction proposal for your playground! We appreciate this opportunity to work with you on this project.

PlayQuest Recreation is delighted to provide you with this playground equipment proposal.

This design was developed with your specific needs in mind, and we look forward to discussing this project further with you to ensure your complete satisfaction. PlayQuest Recreation is confident that this proposal will satisfy the school's, environmental, and safety requirements -- and most importantly -- bring joy and excitement to the children and families directly benefiting from your new playground.

You have our personal commitment to support this project and your organization in every manner possible, and we look forward to continue developing a long-standing relationship with you. We appreciate your consideration and value this opportunity to earn your business.

Sincerely,

JOEL ERB

COMPANY PROFILE

DESIGN | SUPPLY | CONSTRUCT

We are focused on providing the best in playground equipment, spray parks, pool structures, outdoor fitness equipment, shelters, site furnishings, sports equipment, pour in place rubber surfacing and all the construction services to put them in place. Our staff specializes in park development and have the training and certification required to do this work.

Core Services:

Grant Writing

Concerned about money? No problem! Our clients get access to professionals who can effectively help in raising funds for your dream playground! We are constantly updating our database of available grants and sponsorships so you don't miss out on any available funding opportunities.

Professional Installation

Our staff is certified in playground and spray park installation, with the most current training available, and will install any related park equipment like shelters, benches, tables and outdoor fitness equipment. We are also available to provide assistance and advice on self-installation projects.

Design Consulting

Good playground and spray park design includes considering the specific details of your project along with our past experience and any current trends. Our design team knows how to bring fun, learning and safety together, using the best park equipment available. When your project requires regulatory approvals, our in-house engineering services allow seamless transition from the design to construction phases.

Surfacing Services

The types and kinds of surfaces is an evolving area of park design and constructions. We work with traditional surfaces like pea gravel and sand, as well as surfaces that address the growing need for accessibility and lower maintenance like poured in place rubber and engineered wood fiber.

WARRANTY

The original manufacturer's warranty shall be given priority over any expressed or written warranty by PlayQuest Recreation. This shall apply to playground equipment, spray park equipment, park furniture, outdoor fitness equipment, and playground surfacing. Please refer to the warranty information provided for each specific manufacturer

PlayQuest Recreation warrants against defects in installation workmanship for a period of One-Year. The warranty period begins upon construction completion.

All warranties commence on the date of installation completion. The One-Year Warranty applies only to the original owner.

The Warranties are valid only if the structures have been subjected to normal use for the purpose for which the structure was designed and have not been subject to misuse, negligence, vandalism or accident; have not been subjected to the addition or alteration or substitution of unauthorized components; and have not been altered, modified or repaired by persons other than that of PlayQuest Recreation in any respect which, in the judgment of PlayQuest Recreation, affects the condition of the structure or component. PlayQuest Recreation reserves the right to inspect any component claimed to be faulty to ensure defects are due to workmanship and/or materials, and not due to other factors. Defects due to accident, negligence, alteration, abuse, misuse and/or incorrect installation are not covered under the above warranties.

This warranty does not cover damage due to environmental and site conditions including, but not limited to, settling concrete, liquefaction, subsidence, and soil erosion. This warranty does not cover damage due to acts of god including, but not limited to, hurricane, tornado, flood, riot, and fire.

BURKE BUILT QUALITY

Discover the value of investing in a Burke Playground:

KoreKonnnect® Direct-Bolt Clamp System: Nucleus and Voltage feature our Industry-leading KoreKonnnect direct-bolt clamp system resulting in the strongest and most accurate connection system ever. Factory located connection points make for easy, precise installation and an error-free fit. Best of all, KoreKonnnect is covered for 100 years under our non-prorated Generations Warranty.

Direct-Bolt Connection System: Intensity and Little Buddies feature Burke's trusted direct-bolt connection that uses a durable, straightforward direct-bolt system to ensure a trouble-free installation and provide the necessary strength to accommodate the demands of playing children. Like our KoreKonnnect system, Direct-Bolt connections are covered for 100 years under our Generations Warranty.

EZKonnnect® Deck Mounting System: Our exclusive self-leveling deck attachment and factory CNC construction allows for faster and more precise location of decks during installation. The 2-bolt per corner deck attachment increases overall structure strength and stability.

Platforms: Burke's oversized non-slip platforms are constructed of heavy-duty punched steel that can support more than two tons. Our vinyl coating is California compliant, free of lead and other hazardous heavy metals.

Tamper-Resistant Stainless Steel Hardware: All hardware is covered for 100 years under our Generations Warranty.

Premium Powder Coatings: Our industry-leading powder coatings and finishes prevent fading, last longer and deter rust. We also offer a "coastal package" powder coat system. This special powder coat system for metal components and upright posts will provide additional corrosion and chemical protection along with added longevity to the color and gloss retention of the powder coated parts. Contact your Burke Representative for more information on colors, price and warranty.

Compound Plastics with UV-15: You'll get long wear and bright, vibrant colors that hold up for years thanks to our thick, durable rotomolded plastics with UV-15 protection. This is why we can cover them for 15 years under our non-prorated Generations Warranty.

Climbing Cables: Our climbing cables are flexible enough to provide movement, yet strong enough to last. Our ropes are made from six polyester cords with steel reinforcement wrapped around a synthetic fiber core. Each cord contains eight galvanized steel strands tightly covered with polyester multi-fibers. Our RopeVenture cables consist of six strands, each containing 24 stainless steel reinforcing strands within a nylon sleeve, wrapped around a solid nylon core.

Aluminum Connectors: Swivel connectors at the end of our ropes allow assembly at any angle with no unwanted twists in the net. The aluminum fittings used to secure the joints are swaged in place to prevent any movement between the rope and fittings that could cause wear.

To Whom It May Concern:

Safety is very important to us at BCI Burke Company, LLC and we have always been actively involved in the development of safety standards for public playground equipment. We are one of the founding members of the International Play Equipment Manufacturers Association (IPEMA) and our goal is to have our products meet or exceed the requirements of the safety standards and guidelines.

All products in our 2023 catalog have been tested and certified to be in compliance with the requirements of the ASTM F1487 Safety Specification according to the requirements of IPEMA. In addition, a large majority of our products are also tested and certified to be in compliance with the requirements of CAN/CSA Z614-20 Children's Playspaces and Equipment published by the Canadian Standards Association (CSA). A listing of all certified products can be seen at www.ipema.org. Only those products IPEMA certified to CAN/CSA Z614 will be proposed for Canadian customers.

In addition, our products also conform to the U.S. Consumer Products Safety Commission's (CPSC) Handbook for Public Playground Safety published in 2010.

If you have any questions, please contact me.

Sincerely,

Scott Liebelt

Burke PLAYGROUND SAFETY

The Customer Product Safety Commission (CPSC) created playground safety guidelines to help local communities, schools, day care centers and other groups build safe playgrounds. **The American Society for Testing and Materials (ASTM)** is an independent world renowned developer of technical standards utilized in testing products. ASTM and CPSC guidelines are built into our proprietary EZ Design program ensuring every Burke playground is designed to meet or exceed all their standards. To highlight our commitment to safety, BCI Burke is the only playground manufacturer to partner with the National Program for Playground Safety (NPPS) and provide a **FREE** Safe Playground Supervision Kit with each play system purchased.

BCI Burke Company, LLC, is a member in good standing of IPEMA, the International Play Equipment Manufacturers Association. IPEMA is a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment and surfacing.

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, with TÜV America (TÜV), validates an equipment manufacturer's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA Z614, Children's Playspaces and Equipment, except clauses 9.8, 10 & 11; or both. The use of the corresponding logo in Burke's Catalog signifies that Burke has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard.

Check IPEMA website www.ipema.org to confirm product validation.

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, with TÜV America (TÜV), validates a surfacing manufacturer's certification of conformance to ASTM F1292, Standard Specification for Impact Attenuation Under and Around Playground Equipment, and for an engineered wood fiber manufacturer its certification of conformance, also to ASTM F2075, Standard Specification for Engineered Wood Fiber for use as a Playground Safety Surface Under and Around Playground Equipment, Section 4.4, for testing Sieve Analysis and Section 4.6, for testing the presence of Tramp Metal. - Five (5) Year Limited Warranty on PlayEnsemble® cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Exclusions: The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

Limitation of Remedies: Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.
